LIBRARY

Our institute Library is the main source of knowledge, which is an integral and important part of our institute for higher learning.

The central library is housed in a four-storied building located on the eastern side of the main building. The total area of the library is 2000 sq. m. It is well equipped with reference books, textbooks, journals, magazines and newspapers etc.

All the books are bar-coded and bar-code laser scanners are used at the circulation counter for book transactions. All books are classified according to D.D.C Scheme. Seating capacity of the library is 200. The Library provides Online Public Access Catalogue (OPAC) service to its users in addition to the other usual services and photocopying and printing facilities.

A CCTV surveillance system with cameras is functioning in the library.

25 terminals with head phones and mikes are available in the Digital Library section with internet access facility to facilitate access to the DELNET, NPTEL, e-books and IEEE ASPP online resources.

The library has a wireless access point to enable faculty and students to browse the Net inside the library premise.

The library aims to stock all the books and periodicals that the students and staff members are expected to read and enrich their knowledge.

Our institute is a member in National Digital Library and our faculty members and students have registered in NDL.
